ADVANTAGE

OF

BAILEY'S IMPROVED TRUSS.

It adjusts itself so perfectly to the rupture that it is impossible for it to become displaced. It permits the utmost freedom of motion with perfect safety.

All uncomfortable and injurious steel spring pressure is avoided.

The pad is held in place by woven bands, which retain an equal pressure in all positions of the body.

It can be worn in bed, a great desideratum to the young as tending to a perfect cure.

It is the only suitable truss for children and females.

The proper amount of pressure can be brought to bear and maintained in any position without pinching or harm to the wearer.

It will cure hernia if placed on the patient sufficiently early.

Excepting umbilical, it is the best truss ever offered for all kinds of hernia.

It is so perfect and comfortable in its adjustment that the patient in a short time forgets he is wearing it. (See the certificate of Mr. Daniel Johnson.)

Sent postage paid to any address on receipt of price; \$3 for single and \$4 for double truss.

In ordering, give location of hernia, right or left side and measurement.

Satisfaction given money refunded when the truss is returned in good order. Address:
